A ministry of our Lord Jesus Christ

*God, who has called you into fellowship with his  
Son Jesus Christ our Lord, is faithful.*

*1 Corinthians 1:9*

Dec. 19, 2019

Having been notified of the resignation of Executive Director Perry Rotenberger effective December 31, 2018, we as a Board of Directors are endeavoring to discover the man God has called to replace him. This position requires raising personal financial support.

OFCR celebrated its 22<sup>nd</sup> year of ministry and we rejoice in what God has done through the efforts of many volunteers over the years. We anticipate continued growth and expansion of ministry options as He leads us in the years ahead.

OFCR is a 40 acre facility in beautiful Island Park, Idaho, just 25 minutes from Yellowstone National Park. It is set in a forest of Lodgepole Pine and offers Summer Bible Camp for youth in July, and retreats and weekend gatherings throughout the year. Winters are a snowy wonderland and access is by snow machines.

We are seeking a servant of the Lord who will oversee the facility and the various ministries that take place on the grounds. An individual with construction, electrical, plumbing and mechanical experience and abilities would be preferred. Though much of the work entails time in the office and on the phone but, this is not an "office job." There are many opportunities to engage in upkeep and new projects for the facility, as well as interaction with volunteer staff and the groups that we host. Kitchen skills are also a plus.

Our primary focus is sharing the good news of Jesus at every opportunity and using any moment when the time is right. The candidate for this position need not be an eloquent speaker nor called to teach and preach. A love for people, a desire to be used by God, and the gifts and abilities mentioned above is sufficient for the boards consideration. Our website is [www.ofcr.org](http://www.ofcr.org).

I encourage anyone interested in this opportunity to contact me personally. You may also contact Steve Nelson at the address and phone at the bottom as well. We are sincerely seeking the man God is calling to lead this ministry into the future.

All His,

Steve Millermon - Chairman of the Board
